

Provider Training Requirements

To maintain your provider listing, you must continue to meet our [mandatory criteria](#). One of the most important things we look for is that you maintain appropriately trained key personnel. The table below shows the current and previous course numbers for training we require, and which providers they apply to.

Course numbers we will accept

Current Course Number	Course Name	Water	Sewer	Minor works	Water connections driller	Field tester	Previous course numbers
NWPNET049	Construct and install water distribution assets	✓					NWPNET031 or NWP233A or NWP233B or NWP245B
NWPNET050	Construct and install wastewater collection assets		✓				NWPNET032 or NWP250B
NWPNET040	Maintain and repair network assets wastewater (includes access chambers training)		✓	✓			NWPNET023 or all these courses required: NWP250A, NWP255B, NWP229A, and NWP229B
NWPNET061	Maintain and repair network assets for drinking water				✓		NWPNET039, NWPNET022 or all these courses required: NWP253B and NWP254B
NWPNET064	Control electrical risk on network pipes	✓			✓		NWPNET020 or NWPNET003
RIIWH202E	Enter and work in confined spaces	✓	✓	✓	✓	✓	
FIFM (S2) Face to Face	Flow isolation and / or flow management		✓				

Provider Training Requirements

Current Course Number	Course Name	Water	Sewer	Minor works	Water connections driller	Field tester	Previous course numbers
FIFM awareness (S1) – online	Flow isolation and / or flow management		✓				
167-21339V01 (21339A)	Drilling course				✓		
CPCCE3014	Training to remove non-friable asbestos (required for AC capability)						
PMBWELD301E PMBWELD302E	Butt Fusion Welding Course (required for PE/LP capability)						All these courses are required: ELGEF Plus Electro Fusion System ELGEF Plus Tools and Machines ELGEF Plus Installation Procedures Electrofusion MSA 330 Demonstration and Installation Attaching Fittings Conducting Fusion Process – MSA 330

NOTE

All training is at the Listed Providers expense.

Training is supplied by external Registered Training Organisation's (RTO's) (except for FIFM training).

FIFM training can be organised through Sydney Water by emailing learninganddevelopment@sydneywater.com.au

Training is mandatory and applicant must provide a "Statement of Attainment" from the RTO to demonstrate completion.

All key personnel must provide copy of white card
